 MEMORIAL FUND**

In honor of a great man, Kai ʻŌpua Canoe Club has started the **Uncle Bo Memorial Fund**. Uncle Bo’s priority was always the keiki. He loved all of them as if they were his own.

This Memorial Fund will be used to provide a ‘one year’ scholarship award each year to a Hawaii Island graduating senior girl and senior boy, who is furthering their education. The scholarship forms will be available at [www.kaiohua.org](http://www.kaiohua.org).

One of Uncle Bo’s last wishes was for a new Bradley Racer wa`a, with his name on it, of course. As per his own words “When I’m dead and gone, I want it to go on for another 100 years”. So, we listened to you Uncle Bo, and in your memory, this Memorial Fund will help your dreams come true. A wa`a, with your name on it, to be used for many years to come.

The Nakachi ‘ohana wishes to acknowledge with deep appreciation the many expressions of love and kindness during this time of bereavement. May God bless and keep you.
